

PROMOPOLES

We've got you covered!

PromoPoles take the guess work out of any successful point of purchase ad campaign & offers innovative cost effective advertising with extremely high monthly impressions.

The consumer will see your "line of sight" branding while entering the parking lot, locating a parking space and while they walk from their vehicle into the store.

Place your brand message exactly where it needs to be in order to engage & capture the attention of the consumer just as they enter the retail location – putting your product top of mind at point of purchase.

Consumers will see your "line of sight" branding while entering the parking lot, locating a parking space & while they walk from their vehicle into the retail location.

**If you can imagine it,
we can design it
& wrap it.**
